1. 2026 Regional Planning Schedule

2026 Region F Water Plan Proposed Schedule

Task	2022												2023											
	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
<b>1. Regional Description</b>																								
<b>2A. Non-Municipal Demand</b>																								
Steam Electric Power																								
Irrigation																								
Livestock																								
Manufacturing																								
Mining																								
Change Request memos																								
Update Chapter 2																								
<b>2B. Population/ Municipal Demand</b>																								
Historical population/GCD																								
Population review/ revision																								
Municipal Demand																								
Major Water Providers																								
Change Request memos																								
<b>3. Water Supply Analysis</b>																								
Review groundwater supplies																								
Update surface water supplies																								
Allocate supplies to WUGS and WWP's																								
Update Chapter 3																								
Database entry																								
<b>4A. ID Water Needs</b>																								
<b>4B. ID Infeasible Strategies from 2021 Plan</b>																								
<b>4C. Technical Memorandum</b>																								
<b>5A&amp; 5B. Water Strategies</b>																								
Update existing strategies																								
Develop new strategies																								
Survey WUGs/ WWP's																								
Refine WMSs based on survey																								
Update costs																								
Update Chapter 5																								
Database entry																								
<b>5C. Conservation Recommendations</b>																								
<b>6. Impacts of WMS/Protection of Resources</b>																								
<b>7. Drought Response Chapter</b>																								
Drought triggers/actions																								
Drought responses																								
<b>8. Legislative Recommendations</b>																								
<b>10. Plan Adoption</b>																								
Develop IPP																								
Distribute draft IPP to PWPG																								
Submittal to TWDB/ Libraries																								
Public Hearing																								
Final RWP																								
Submit Final Plan to TWDB																								
<b>11. Implementation</b>																								
<b>Scope of Work for Phase 2</b>																								
Amend contracts
